____ Please charge my account now for all summer sessions using the credit card on file.

____ Please charge my account for the \$400 deposit now and charge the balance due on June 1, 2019 for the summer sessions using the credit card on file.

*Refunds will not be granted for missed sessions, but, as always, make-ups are strongly encouraged.

*10 sessions is one session per week. This is the minimum number of sessions that will help prevent “summer slide”. If your child is still in need of making progress then 20 sessions, twice per week, is recommended. If you want to “bump up” tutoring for the summer, please choose 30-40 sessions.

Please refer to the “Summer Schedule Openings” sheet to see potential days/times for tutoring. The schedule must be consistent. For example: Mondays at 10:00am and Saturdays at 11:00am or M/W at 9:00am. Schedule requests will be filled on a first come, first served basis.

Orton Gillingham Reading Specialists is reserving the requested days/times. I understand that if I cancel these appointments before May 1, 2019, I will receive a refund less the \$400 deposit. In addition, I understand that if I cancel these appointments on or after May 1, 2019 that a refund will not be granted.
